

Disciplemakers Intensive

The NYC Navigators

Vision:

To inspire and equip men and women to become lifelong generational disciplemakers and to give their lives to the vision of “Knowing Christ, making Him known, and helping others do the same.” Our desire is to develop momentum for Life-to-Life Disciplemaking all across the NYC metro area and to spiritually multiply the gospel in every nation, tribe, people and language (Revelation 7:9).

Target Audience:

Growing disciples of Jesus who desire to give their lives away and reach generations and nations through spiritual multiplication. Initially, we are targeting more mature ministry leaders who are hungry to grow and who have displayed a track record of faithfulness in their lives.

Key verses:

Matthew 28:18-20

Matthew 9:35-38

John 12:24-25

2 Timothy 2:2

Isaiah 60:22-61:4

1 Thessalonians 2:8

1 Corinthians 4:15-16

Revelation 7:9

Objectives:

1. Participants will grow as solid, mature disciples of Jesus with the heart, vision and skill to live as lifetime, generational disciplemakers.
2. Men and women will be equipped to give their lives away through Life-to-Life Disciplemaking immediately upon completion of this Intensive, realizing the need to also be a lifelong learner.

3. This experience will engage the heart, soul and mind as people are relationally connected to like-minded people in this high-commitment learning community.
4. People understand and live “out of the overflow” of their own deep, intimate walk with God.
5. We will use reproducible and transferable tools and materials that can easily be passed along to others.
6. This Intensive will be organized, challenging, clear, compelling and doable. It will involve experiential learning with immediate application and ministry opportunities so that participants gain confidence in evangelism and discipling.
7. A key aim is to build a learning community of friends that will support one another in discipling for a lifetime.

Expectations/Time Commitment:

1. One-year commitment of 8-10 hours/month beginning January 2022.
2. 10 monthly in-person Saturday group trainings (participants need to be able to attend a minimum of 8 of the 10 group training times):

 - b. June-August: During the summer months we will have two slightly longer training sessions (5-6 hours each).
3. One 1:1 Discipleship meeting per month in which participants personally experience Life/Word/Prayer discipling (90-minute meeting ideally in-person).
4. Preparation/Assignments will require about 4-6 hours each month.
5. Participants commit to having a daily devotional time and memorizing 24-60 verses from the Topical Memory System.
6. Participants have regular involvement in the life of a local body of believers.
