NYC Virtual Prayer Walk

Prayer Guide

1:58 MINISTRY

- Please pray for continued protection for each of our staff, volunteers and their families as they minister through the community outreaches, as well as provision for these outreaches.
- Pray for God's blessing on our discipleship efforts as we launch a 2:7 group with our team. (The 2:7 is a one year discipleship course that the Navigators have developed, based on Col. 2:7.)
- Please pray for our new partnership with City College and also for wisdom for our church, Soul Saving Station, in this season of crisis and opportunity.

CHURCH MINISTRY

- Please pray for our current partnering churches to stay strong in their commitment to become growing intentional discipling culture churches during this challenging time.
- Pray for our staff and ministry partners to be competent and confident in their ability to grow intentional discipling cultures in the churches they serve.
- Pray for six to ten churches to become growing intentional discipling culture partners in the 2020/2021 fiscal year.

NYU MINISTRY

- The fall semester will be very different from what we are used to doing. From listening to our students and NYU, we are anticipating 80-85% of the ministry to be digital and 15-20% in person. Pray for our alignment, wisdom and discernment to best serve our community and mission!
- Pray that during this challenging ministry season, we would prioritize our time with God and not pour out more than what we are receiving from Him (John 15).
- Pray for the new initiatives we are introducing this semester, that they would ignite discipling movements at NYU, even in this challenging environment!

NYU-TANDON MINISTRY

- Please pray for more students to come to know Christ.
- Pray for the students involved to abide deeply in God's love for them and share that love with others.
- Pray for creativity and wisdom as we seek to minister during this unusual time

20'S MINISTRY

- Please pray for us as we continue our work with the 20s ministry. Coronavirus has made it difficult to connect with this generation and our future is a big question mark.
- Our ministry is transient with our people coming and leaving relatively quickly. Pray the Lord would "multiply" the influence we are able to have in the lives of our people while we have them.
- There is so much cross-mission potential between the 20s and the other ministries in the city. Pray that would be apparent to us and that the Lord would lead us in those partnerships.

FIRST RESPONDERS MINISTRY

- Thank God for our first responders and medical personnel who have served our city tirelessly, especially over the past five months during the Covid-19 crisis.
- Pray that the 24/7 Prayer Line to serve the NYPD, through our First Responders Ministry, will launch this month. Ongoing issues in the city have caused a delay in getting this going.
- Pray for bridges to be built between NYPD and the communities they serve.

WORKPLACE MINISTRY

- Please pray for continued growth and stability
- Pray that Christians working in all professional fields in NYC see them as "the fields of the Lord," ripe for harvest, and take ownership of missional outreach to their coworkers.
- Pray that New Yorkers have a unique opportunity to influence not just their workplace but their profession as a whole. Pray for believers here to have God's vision for bringing wholeness and transformation to their profession so that it expresses His Kingdom values and priorities!

MILITARY MINISTRY

- COVID is causing delays in establishing the outreach sphere of the military base ministry here in Jersey. We are considering leaving on-base housing to buy a nearby house off base to have more ministry freedom and space. Pray for increased funding and decreased restrictions on base (access) to enable this.
- Pray for strategies to increase small group meetings to make up for the lack of large group meetings.

NEIGHBORS MINISTRY

- Please pray for more staff and trained volunteers to help grow the ministry so that we can reach more public schools.
- Pray for increased funding to continue growing this ministry.
- Pray for spiritual growth and discipleship of students of all ages and adult volunteers.

PRAY AND SEEK THE SHALOM OF THE CITY

"Also, seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper."
- Jeremiah 29:7

DURING THIS TIME OF PANDEMIC AND UPHEAVAL, PRAY FOR THE PEACE OF THE CITY

Pray for the peace of Jerusalem:
"May those who love you be secure. May there be peace within your wall and security within your citadels." For the sake of my family and friends, I will say, "Peace be within you." For the sake of the house of the Lord our God, I will seek your prosperity."
- Psalm 122:6-9

PRAY FOR JUSTICE AND ETHNIC EQUITY IN THE CITY

PRAY FOR EVANGELIZATION OF NEW YORK CITY AND THAT GOD WOULD USE US
